Regional Youth Board Tip of the Month: Rallies
"Bring a little, Radio Flyer-type wagon. They are
easier to pack than wheelbarrows, and you can use
one for water buckets or vet box."

~ Emily Shepard

MESSAGE FROM THE RS

One of the potential benefits to belonging to any organization is that you get exposure to many different people and opportunities. That goes two ways-YOU are part of that web! Think about who you interact with in Pony Club and try to imagine what impression you give to those people. I would like to urge everyone to remember that you are an important role model in your club, even if you don't think of yourself in that manner. Younger members almost always look up to older members in awe. They might not act that way sometimes, but you can bet that they pay attention to everything you do. Adults in the club are sharing their leadership styles and strategies with older members whenever they are working with or volunteering for the club. It is human nature to notice and respond to the actions of the people around you. Make your organization a better place by putting forth your best positive role model self!!!

-Ev, RS, NYUC
