## MESSAGE FROM THE RS

The thought for this month is STRETCH – Move out of your comfort zone and experience something new!!! Think about something you’ve been wanting to try that is a doable goal during the next 3 months of summer and get out there and try it! I’ve been thinking about this since the Polocrosse Rally when I watched 7 teams have a blast. About half the riders had tried mounted polocrosse before but quite a few had not. The organizers were new at this too and had many mixed feelings before the rally, but ended the day thinking they’d certainly do it again! Members are shopping for polocrosse sticks and clamoring for more opportunities to play again. And this excitement is not restricted to polocrosse. We have several mother/daughter pairs practicing as a quadrille team for the dressage rally – another novel attempt!!! There are unlimited possibilities in and out of the horse world to expand your horizons into new and exciting adventures. TRY SOMETHING NEW and then write to your RYB and tell them your story!!!
